

# NOURISHING NEIGHBORS FEEDING HOPE

**IMPACT REPORT  
2024**

  
**FEEDING<sup>®</sup>  
SOUTHWEST  
VIRGINIA**

**Make 2025 your year to enact change where it is needed most: for our neighbors facing hunger in Southwest Virginia.**

Feeding Southwest Virginia was founded on the belief that no one deserves to be hungry, no matter where they live. I hold dear the fact that every neighbor is unique and deserves support in a way that best suits them. From our mobile programs to backpack programs, and from nourishing children to nourishing seniors, it is our goal to meet our neighbors where they are while championing a brighter, healthier future for themselves and their families.

I am so proud to work for an organization that continues to prioritize our neighbors' dignity, power and ability to choose, and their stories. Like the neighbors we serve, our Food Bank is ever-evolving. I am thankful to our Food Bank family, donors, volunteers, and neighbors for encouraging us to build even more trust, demonstrate even better solutions to food insecurity, and seek equity in all we do.

Feeding Southwest Virginia filled many plates this year, but our work is not over yet. As we approach the end of 2024, be thinking of what the New Year means to you. For me, it is an opportunity to grow and change and see what my goodwill can do. Make 2025 your year to enact change where it is needed most: for our neighbors facing hunger in Southwest Virginia.

## CORE VALUES: TRUST, EFFECTIVENESS, INNOVATION, EQUITY

**Every day I am reminded that we can only do what we do because of the support of our donors and our amazing volunteers, and the strong community support...**

It was a busy but rewarding year for Feeding Southwest Virginia. We implemented a new strategic plan, which prioritizes not only feeding our neighbors, but also nourishing their mental, physical, and financial growth. We completed our months-long building renovations in September for our Salem site and hosted a successful and well-attended ribbon-cutting to celebrate the past, present, and future impact of Food Bank efforts. Every day I am reminded that we can only do what we do because of the support of our donors and our amazing volunteers, and the strong community support from across our service region.

Our neighbors have always been at the forefront of what we do. Every time I receive a phone call, thank you letter, meet our partners, or visit one of our wonderful feeding programs, I am reminded of our mission. Our most updated statement reads, "Nourish neighbors, engage community partners, and develop solutions to address food insecurity." I see our mission in the faces of the little ones that visit our children's Foodie Truck. I hear our mission in the gratitude of our visiting parents' voices. It warms my heart to be the Board Chair of such a generous and well-meaning organization.

Finally, I want to say thank you. To our 2,600 volunteers who greatly strengthened our impact, thank you for the more than 30,000 hours you offered our organization this year. To our supporters who read our mail, spread our message, and contribute financially, thank you for seeing our mission as a worthwhile one.

# Look what we can do together.

Hunger exists in every city and county of Southwest Virginia. We know that 165,000 neighbors, and more than 40,000 children, will experience food insecurity this year. Our hundreds of partners, selfless volunteers, and kind donors keep us hopeful for the future. Thank you for all you do to end hunger in Southwest Virginia. Together, we can make a difference.

**“I volunteer because there are many people in our community who need things that we take for granted. We don't always have to worry where the next meal is coming from. This is a way to give back to my community.”**
